

Ringwood School Year 11 Revision Evening

How to revise for Languages

How to help- what can parents and carers do?

Courage
Ambition
Integrity
Respect

Doing something (active revision) is much better than sitting and looking at something (passive revision). **Ask your child to show you what they have done.**

Little and often! 15 minutes every day of vocab learning is much better than large chunks of time each week.

Spend some time with your child practising the speaking exam questions they have in their languages books.

Vary your revision. Do vocab learning in wasted time on Quizlet (car journeys etc) then do some reading and listening another night and then some speaking prep by practising answers from the list of questions on another night. Students have to prepare for 4 skills and therefore need to vary their revision.

Courage
Ambition
Integrity
Respect

Preparing for the November mocks

- Students will sit all four exams for their November mocks.
- Speaking exam will come first in mid- November so please help your child prepare by sitting with them and asking them the speaking questions from their languages books.
- Revise topic vocab through the Quizlet links.
- Practise reading and listening through BBC bitesize and revision folder on Teams.
- Revise tense rules for writing exam and ensure you know all non negotiables.

Resources available to your child:

Courage
Ambition
Integrity
Respect

- All resources will be available in a revision folder in Teams.
- This will include some example role plays and photocards that students can prepare for the speaking exam.
- It will also include some reading and listening revision questions that they can complete. **
- Quizlet links have been assigned to students' classes and provide good vocab revision.

**Please be aware some of the listening and reading revision questions are from the old GCSE specification. This year are the first year through and as yet there is very little provided by means of past papers.
