- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options evenings, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact: **Mrs B Baker, Careers and Aspirations Lead:**

Opportunities for access

A number of events integrated into the school careers programme, will offer providers an opportunity to come into school or to speak to pupils and/or their parents and we will offer virtual experiences and opportunities as appropriate – *Please see the published Careers Programme for our Annual Calendar of Events.*

Please speak to our named Careers Lead to identify the most suitable opportunity for you. Ringwood Schools policy on safeguarding sets out the approach to allowing providers into school as visitors to talk to our students. The Safeguarding Policy is available on our website www.ringwood.hants.sch.uk

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. We will also make available IT and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Team. Providers are welcome to leave a copy of their prospectus or other relevant course literature with our Careers Team who will distribute the relevant information to pupils.
