- Registration is required for The Teaching Agency and will be carried out by The SPELL Alliance
- This form must be completed and returned to Mrs Ali Fanos at Ringwood School:

NB: Whilst we all work towards the day when all Newly Qualified Teachers will have a pleasant, satisfying and successful Induction year, a number experience difficulties each year. It is essential that any worries are addressed quickly and the school is aware that it is responsible for providing the necessary support.

All NQTs must be registered with SPELL before 14 July 2017 in order for them to be registered with the Teaching Agency.
