Authorisation date	October 2020
Implementation Date	October 2020
Next Review Date	October 2022
To be reviewed by	Exams Officer and Assistant Headteacher

Purpose:

The policy sets out the actions to be taken in the event of significant disruption to any part of the examinations cycle at Ringwood School. By outlining actions / procedures to be invoked in case of disruption it is intended to mitigate the impact these disruptions have on our exam process.

This plan confirms that Ringwood School is compliant with the most current JCQ regulation (*section 5.3 e, General Regulations for Approved Centre*) that the centre has in place a written examination contingency plan which covers all aspects of examination administration. This will allow members of the senior leadership team to act immediately in the event of an emergency or staff absence. The examination contingency plan must be available for inspection purposes.

<https://www.jcq.org.uk/exams-office/general-regulations>

The Head of Centre (Headteacher) is responsible to the awarding bodies for making sure all examinations/assessments are carried out according to the instructions, and the qualification specifications issued by the awarding bodies. For operational purposes, the Examinations Officer has delegated responsibility to act as the Head of Centre for day to day running of the examinations cycle.

When the plan would be triggered:

In the event of a disruption to the centre's examination system e.g. long term absence; school closure for unforeseen reasons, adverse weather; and any other event that disrupts exams.

In the absence of the Examinations Officer, the Data Team would deputise and put into place the recommended actions below, overseen by the Assistant Head with responsibility for Exams.

It is the responsibility of the Examinations Officer to ensure that members of the Data team are knowledgeable in the examinations cycle, are sufficiently trained, informed and able to cover in the Examination Officer's absence. This includes communication between all stakeholders at the centre (teachers, support staff, subject and senior leaders), candidates, parents and the public.

Where necessary, communication to parents and students would be done via Sims In-Touch, email, and / or the school website and Learning Zone.

Key documents

The latest versions of all relevant JCQ documents are saved electronically in [\\ringwood\school\useful\Exams\JCQ Documentation](#), [\\ringwood\school\admin\ExamAdmin](#) and can be found hard copy in the office.

Because secure access is required for each exam board, members of the logistics team are registered and have access to the main exam boards

The latest timetables, master forms and letters are saved in the shared document area of [\\ringwood\school\admin\ExamAdmin](#)

A series of checklists can be found in [\\ringwood\school\admin\ExamAdmin\Check lists](#)

Possible scenarios and responses

1. Examinations officer absence – long or short term absence

Possible impact	Exam cycle is disrupted
Recommended Actions	Calendar of tasks with deadlines is placed in shared network area and accessible by the exams and logistics team Ensure that logistics team is sufficiently informed to continue with exam cycle: in year training of members of the data team in ensure results can be accessed and downloaded. Software to allow results to be downloaded is installed on PC of another member of the data team. Data team to be trained and practised in downloading results on Results Days Liaise with other local centres if necessary for expertise
Success criteria	Successful completion of exam cycle with no effect on students' access to exams
